CAREER OBJECTIVE

AWS Certified Developer – Associate and Computer Science Engineering student with a strong focus on Cloud Computing, DevOps, and Full-Stack development. Proficient in building scalable applications using React, TypeScript, and AWS services. Passionate about automating software lifecycles and solving complex algorithmic challenges.

EDUCATION

Aditya College of Engineering & Technology Surampalem, AP
B.Tech in Computer Science and Engineering (Pursuing) 2024 – 2027
Cumulative GPA: 8.11 / 10.0

Aditya College of Engineering & Technology Surampalem, AP
Diploma in Communication and Computer Networking 2021 – 2024
Percentage: 94.34%

EXPERIENCE

AWS Cloud Intern May 2025 – Jun 2025
Technical Hub Pvt Ltd

- Gained hands-on experience with AWS Cloud services including EC2, VPC, and IAM for cloud infrastructure and secure access management.
- Worked on client-server architecture, instance provisioning, networking concepts, and deployment fundamentals.
- Strengthened practical understanding of scalable cloud environments and infrastructure operations.

Diploma Trainee – Data Quality Check Dec 2023 – Feb 2024
Karvy Data Management Services Ltd.

- Verified and validated UIDAI Aadhaar enrollment documents to ensure 100% data accuracy and compliance.
- Performed rigorous quality audits on identity proofs, significantly reducing data inconsistencies.

SKILLS

Languages: Java, Python, C, C++, SQL, PHP, Excel, Power BI
Cloud & DevOps: AWS Certified Developer – Associate, Jenkins, Kubernetes, Docker, Ansible, OpenShift
Web Technologies: React, Node.js, HTML5, CSS3, JavaScript, MySQL, Vercel, Git
Concepts: DSA (500+ Solved), OOP, Networking, SDLC, Generative AI, Cloud Security

PROJECTS

GroceriesFarm — E-commerce Platform *React, TypeScript, Vercel*

- Built a modular e-commerce frontend with React and TypeScript; deployed via automated Vercel CI/CD pipelines.
- Optimized page load efficiency and ensured 100% responsive design for seamless cross-platform usage.
- Integrated EmailJS for real-time customer feedback handling, enabling direct communication from users to admin via email notifications.

Eco-Connect — Sectoral Integration Web App *PHP, MySQL*

- Developed a full-stack platform interlinking Agriculture and Health sectors to improve rural accessibility.
- Awarded **1st Prize** at PolyVeda Tech Fest 2K23 for innovation and social impact.

CERTIFICATIONS & ACHIEVEMENTS

- **AWS Certified Developer – Associate** — Issued by Amazon Web Services
- **AWS Academy Graduate – Generative AI Foundations**
- **Cisco Certified: IT Essentials**— Issued by Cisco Networking Academy
- **Competitive Programming:** Solved 500+ problems on CodeChef; Expertise in Data Structures & Algos.
- AWS Academy Graduate — Cloud Developing & Generative AI Foundations.

- IBM SkillsBuild – Getting Started with AI Certificate Issued by IBM SkillsBuild

EXTRACURRICULAR ACTIVITIES

- **Tech Winner:** Secured 1st place in regional technical symposium for full-stack innovation.
- **DevOps Advocate:** Building CI/CD pipelines for personal projects using GitHub Actions and Docker.
- **Leadership:** Technical volunteer for college workshops; trained 50+ peers in basic web technologies.
